APPROVAL.....OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the 2.5 c.f.s. herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A totalizing meter must be installed and accurate measurements of the water placed to a beneficial use must be submitted to the State Engineer on an annual basis and included in the proof of such use when filed. The State retains the right to regulate the use of the water herein granted at any and all times. This permit is issued with the concurrent approval of the Colorado River Commission of Nevada as required under NRS 533.372(2).

This permit is further subject to the terms and conditions of the water users contract entered into by the D.U.G. River View, Ltd. and the Colorado River Commission of Nevada, dated March 22, 1984.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed..... 2.5 cubic feet per second., but not to exceed 400.0
acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before..... May 11, 1985

Proof of completion of work shall be filed before..... June 11, 1985

Application of water to beneficial use shall be made on or before..... May 11, 1989

Proof of the application of water to beneficial use shall be filed on or before..... June 11, 1989

Map in support of proof of beneficial use shall be filed on or before.....

Completion of work filed..... IN TESTIMONY WHEREOF, I..... PETER G. MORROS
State Engineer of Nevada, have hereunto set my hand and the seal of

Proof of beneficial use filed..... my office, this..... 22nd day of..... MAY
